Letter c/o 51 dated 18 July 1898 from the President D. F. Board, Mysore stating with reference to Govt Pro c/o 241-43 / L-912-98 dated 6 Idem, that the pay of the peons attached to the Dy Inspectors of Vaccination may be debited to the Mysore and French Rocks Circles as therein suggested

LB. 1-97-4

KL 193

15-16-10 / L.F.-12-98 28/7/98

Order thereon

The Govt are pleased to direct that the salaries of the existing and presently sanctioned peons be debited to the Mysore and French Rocks Circles as shewn in the margin

Sl	Circles	Strength to be maintained	Strength now existing & sanctioned	Excess to be provided for
1	Mysore Pay of existing peons	72	40	32
2	French Rocks Pay of peons sanctioned in Pro c/o 241-43/12-98 dt 6/7/98	72	32	40
	Total	144	72	72

(2). On account of the Batta
travelling allowances of the

existing peon, there is a provision of Rs 36 GOVERNMENT OF MYSORE deleted to the Mysore and French Rocks Boards in the proportions of 25 and 11 Rs respectively. As the aggregate provision of Rs 36 may be found inadequate for the allowance of both the peons, this will be ~~slightly~~ raised to Rs 48, which will be apportioned equally between the two Circles.

(3) The excess cost over the existing provisions on account of the salary and travelling allowance to ~~each~~ the two Peons will, as proposed, be met by a Re-appropriation from the sanctioned grants or ~~will be~~ provided for in supplemental budgets.

Though no recommendation has been received on this point, the offered sentence I suggest for approval, to avoid the debit of this item of Rs 36 to both the circles in certain proportions and to equalize the provisions as in other Circles (~~Thus~~ where 25 Rs is the lowest amount as against 11 for French Rocks) provisions in Memo below.
